Description

Location

Godley Station is a 5,800 acre master-planned development in Pooler, just West of Savannah, and has been the center of growth for 10+ years. Home to the Savannah/Hilton Head International Airport, it is centralized for convenient travel to anywhere within Savannah, with immediate access to I-95 and I-16 within minutes. Local amenities are supported with a population reaching 280,000 within a 30-minute drive time and high traffic counts from the interstates. Residential & commercial growth is attributed to a number of economic drivers including: the GA Ports Authority, which is the 2nd largest port on the East coast and 4th largest in the country; the tourism industry, with 7 million+ tourists annually; manufacturing, with employers such as Gulfstream, JCB, EFACEC, GA Pacific and Mitsubishi (constructing Phase II of their brand new facility at the I-95/I-16 megasite); and 2 military bases, which are Ft. Stewart and Hunter Army AF. The area has become a "live, work and play" community with 18,000 homes projected at build out.
